Entertaining at the Market

Tel: 540 454 8089

Loudoun Valley HomeGrown Markets Cooperative is pleased to offer local talent a place to entertain and promote themselves.

Our customers appreciate all things local. We are happy to share our market space with folks that can offer music and other entertainments to our customers.

We are looking for musicians, jugglers, and balloon artists. Performers have been very successful at our markets and have collected tips (enough to help pay for college) at our markets.

Please keep in mind:

Content must be family friendly and respectful.

You must provide your own tent and equipment. With enough notice we may be able to provide a tent.

Electricity is not available at any of the markets; most of our musicians play without amplification. A battery amp is fine—but please be considerate of our shoppers and vendors who need to talk to one another.

Our markets are listed on the back of this flyer. We realize that our markets open early but we are willing to accommodate performances starting a little later than the opening.

If you are interested in performing at any of our markets, please contact:

Kathryn Willis, Market Coordinator

Telephone: 540-454-8089.

or

Mary Haskins, Outreach Coordinator
